Dear Ian

Fuel-Guard fuel filter Dutch Barge Panache

Thank you, you have a great product:

I purchased the Fuel-guard as part of my preparation for a cross channel trip it was so easy to install it seemed too good to be true. After spending many years on the canals and rivers of the UK my fuel tanks were tossed around for over 13 hours and this was sure to stir things up. The Fuel-Guard did exactly what it says on the tin! The engine never missed a beat, the filter had collected many years of dirt and water. The filter was so easily, drained, cleaned and replaced it wasn't a chore.

Regards
